

# CORONAVIRUS WEDDINGS

**planned: 15-03-2022 | 19.00 tentative**

## Section I

- Face coverings must be worn on all public transport, trains, and tubes, too.
- 
- Rollout of Covid-19 (booster) vaccination jabs. And step by step we are getting back to a 'new' normal. Let's hope it's irreversible.
- Travellers with a booster shot are not required to be quarantined if the traveller received the booster shot at least seven days before the trip to the Netherlands," the statement of the Ministry reads. Source: [www.schengenvisainfo.com](http://www.schengenvisainfo.com)

## • Section II

- - The Dutch [RIVM](https://www.rivm.nl/) -National Institute for Health and Environment permits intimate small weddings at Covid-secure venues, restaurants and bars without fixed seating plan.
  - The 1.5 meters social distancing measures are no longer obligatory. Pubs, restaurants, bars, drinking, eating establishments, wedding venues, essential shops, non-essential shops and supermarkets are open until 01.00 hours. From 25 February bars can return to their normal closing time.
  - Entertainment and live performances indoors and outdoors are allowed.
  - 1 day music events and festivals without a seating plan are prohibited.
- 
- Larger outdoor weddings have returned without legal restrictions on the number of guests attending.
  - Recorded wedding music is allowed. However, you are advised to choose a venue that adheres to social distance regulations. Check and follow their guidance.
